PROFESSIONAL SUMMARY

Driven and consistent learner with a strong interest in full-stack development and AI-powered application design, seeking real-world exposure through continuous learning and industry experience. Committed to building practical, intelligent solutions by strengthening MERN stack and machine learning skills. Focused on growing into a reliable software engineer who bridges modern web technologies with AI-driven innovation.

EDUCATION

B.E. Computer Science and Engineering — VSB College of Engineering, Coimbatore | CGPA: 8.34 (Till Date)
2023 – 2027

HSC — Presentation Convent Matriculation Hr. Sec. School, Coimbatore | 80%

April 2023

TECHNICAL SKILLS

Languages: Java • Python • SQL

Web Technologies: HTML • CSS • Bootstrap • REST APIs

Frameworks & Libraries: React.js • Node.js • Express.js (MERN Stack)

Databases: MySQL • MongoDB

Dev Tools: GitHub • VS Code • Postman

PROJECTS

BugEZ – AI-Powered Code Analyzer | React.js, Node.js, OpenAI API

- Built an AI-powered code analyzer to help developers understand code logic, detect bugs, and learn concepts instead of copy-paste solutions.
- Integrated an LLM-based explanation engine providing contextual feedback and step-by-step debugging guidance.

SkillTrack – Career Path Discovery Platform | MERN Stack

- Developed a MERN platform helping engineering students identify their ideal tech domain and navigate curated learning paths to land their first tech job.

PROFESSIONAL EXPERIENCE

ServiceNow Virtual Intern | ServiceNow / AICTE

Jan 2026 – Mar 2026

- Completed ITSM, workflow automation, Flow Designer, ATF, and platform administration training on ServiceNow.

Machine Learning Intern | EISystems (AICTE Approved)

Oct 2025 – Nov 2025

- Built supervised ML models using Python (scikit-learn, pandas); implemented data preprocessing pipelines and model evaluation.

MERN Stack Developer Intern | NoviTech

Aug 2024

- Developed full-stack apps using MERN stack; implemented REST APIs, user authentication, and responsive UI components.

HACKATHON & COMPETITIONS

AI Arena — Sri Eshwar College of Engineering (Inter-College Competition)

Feb 2026

- Achieved 2nd Place for developing an ATS-Friendly Resume Analyzer using AI tools; awarded INR 2,000.

BITS Pilani Hyderabad Campus Hackathon

Oct 2025

- Selected through Coimbatore screening round; presented project at a 2-day national-level hackathon at BITS Pilani Hyderabad.

CERTIFICATIONS & ACHIEVEMENTS

- NPTEL – Programming in Java, Ethical Hacking (Elite), Business Intelligence & Analytics (Elite) — IIT-backed national certifications
- LeetCode Knight — Solved 500+ DSA problems on the platform
- Filed Patent: Automating Blockchain Development — An AI-Driven Framework for Secure, High-Velocity Smart Contract (2025)
